

Beautiful New CL Brant Wall Hanging

CL Brant was honoured to receive a special gift from Seneca Henhawk which will be proudly displayed in our main office. Seneca is an expert at designing and completing rug hooking projects. Seneca approached the Association and offered his expertise in creating a wall hanging to reflect the new Community Living logo and colours. We provided him with a rough drawing of what we wanted and off he went to purchase his supplies and lay out his design. In less than 2 months, Seneca called to say he had completed the beautiful hanging that measures over 5 feet in length! This is one of many projects that Seneca has completed and we are thrilled to be the recipient of his work. The wall hanging makes a wonderful addition to our lobby in support of Community Living.
