

2011 Photography Contest

It's our honour to announce the 4th Annual Community Living Brant photo contest has concluded with great success. The community support has made the 2011 photo contest much more exciting and competitive.

This year's contest was judged by Heather Melski from Busy Bee Photography – many thanks to Heather. I would also like to thank Kim Clarke along with Glen Tanguay and children; Aimee and Luc who judged the Denise Tanguay Memorial Award category – anyone who knew Denise will remember her passion and talent for photography!

Lastly, a special thanks to our generous 2011 sponsors; Henrys, [Busy Bee Photography](#), Lynden Park Mall, PhotoLife Magazine and Outdoor Photography Canada
