

Earl's Hazlett's 65th Party

On Saturday June 28th Earl had a big celebration at the Dunn for his 65th Birthday. Many members of Earl's family came to share in his special day, with a big surprise at the end of his Open House. Earl's new baby great niece Charlotte came with his niece and nephew! Earl was very happy and lit up the room with his big smile for the whole afternoon. Earl was excited to see lots of people that have known him over the years; especially his friend Doug, a bus driver from Brantford Transit that Earl would ride around the city with. This was one of Earl's favourite memories of the party, along with all the goodies and chocolate cake!

After the party at the Dunn, Earl's friends, Associate Family and extended family joined him at King's Buffet for a Birthday supper. Earl was proud to be the King for the evening getting the traditional King's Buffet hat and having Happy Birthday sang to him by the wait staff.

Earl would like to thank everyone for helping make his day a memorable one for him.
