

Helping the Animals at the SPCA

Over the summer months, CL Brant raised funds from our Dress Down Fridays to support our local Brant SPCA. Early in the summer one of our family members, Glenda Minard, had sponsored a golf team for people supported to attend a golf tournament that was raising funds for the SPCA. We thought that it was fitting that the funds we raised would be a way to say thank you to Glenda and also support our community. Many people expressed an interest in supporting the SPCA for all the amazing things they do for abandoned and abused animals. Three members of the golf team (Jason Richardson, Gary Cutler and Steve Csordas) joined Joanne McBurney (Receptionist at CL Brant) in presenting the cheque to Robin Kuchma from the SPCA. As you can see from the photo, one of the dogs at the SPCA, Mocha, joined in picture. She captured everyone's hearts with her gentle manner and abundant kisses. Our donation was much appreciated by the SPCA as they had just put out a call to the community for donations to replenish their food supply, especially for the cats in their care.
