

Ken Abreys' passion is bowling, and he is very good at it! Ken is an active member of two Brantford Men's Ten Pin bowling teams –the Monday Night NFLers and the Thurs Night Fun Timers. He has served as a valued player on these teams for over 12 years and bowls at the Brantford Bowlerama. He enjoys the camaraderie of his team mates and consistently winning end- of-year awards for high single and high game. A highlight achievement this past year was not only one, but two near- perfect games. Ken bowled 9 strikes in a row in each game. What an amazing accomplishment!! Ken is pictured with his new bowling bag, which he purchased with his cash prize awarded at his May Bowling Banquet for "High Single ". Congratulations Ken!
