

NORMA'S PARTY

CELEBRATING WITH FAMILY

Norma decided for her birthday this year she would like to invite her family to her house for a BBQ. Norma invited several family members and planned a special menu which included Chocolate Messy Cake (her favorite). To keep everyone entertained while the food was being prepared, Norma and her family played the M&M game. Each family member took as many M&M's as they wanted and for each color a different question was asked. After everyone had answered the questions staff assisted Norma to read out the answers and they had to guess who the person was. Norma's sister Diana won the prize of a Tim Horton's gift card. This was really nice for Norma as she learned some great new information about her family members!

Norma was pleasantly surprised when a few of her sisters came that she had not seen for quite sometime. They brought their children to see Auntie Norma and celebrate her birthday!!! The party sprung into action after everyone had eaten, Norma brought out her CD player. Norma's Dad brought some Reggae music that was put on and the backyard magically transformed into a dance floor. Norma danced the night away with her family and had a great time. Norma had some wonderful pictures taken and shared them with her family. Since Norma's party she has spent more time with her sisters and enjoyed attending her niece's wedding this past September.
