

The Price Is Right

I really love to watch game shows and my favourite game show is The Price Is Right. I really wanted to see The Price Is Right in person. So with the Support of Staff I set up a savings account so I could get to Los Angeles! In time I saved enough money to fly to L.A. and watch The Price Is Right. I really enjoyed flying on the airplane, but the best part of all was seeing Drew Carey! I also went to Disneyland and met Minnie Mouse!

My dream really came true, and I have memories to last a lifetime.
