

## What a way to beat the winter blues!

On January 28, 2010, ten fellows from different programs throughout Community Living Brant got together at Stealth Paintball in Brantford to shoot out the winter blues. They had a blast! They spent the afternoon teamed up against each other playing out different scenarios. At the end of the day, many of the players were proud to show off their wounds – they wore them proudly!

Everyone had a great time and they are looking forward to planning a summer date for Round Two in the outdoor field.
